elliTek, INC. Automation Experts

YOU AUTOMATE. WE SUPPLY. Experience that clears the way.

IAI Quality and Innovation	ROBO Cylinder® & ELECYLINDER® series - simple positioning control, Cartesian Robots, SCARA Robots, Table Top Robots, Linear Servo Actuators, Cleanroom / Splash / Dust-proof Actuators
Applied Motion Products A MOONS' COMPANY	Servo Products, Integrated Servos, StepSERVO Products, Stepper Products, PLC Motion Control, Brushless DC, Linear Products
LMI TECHNOLOGIES	Line Profile Sensors, Snapshot Sensors, Line Confocal Sensors, 2D Smart Cameras & Accessories, Vision Accelerators, Factory Smart AI Products & Services, Cables & Accessory Items
PILZ AUTHORIZED DISTRIBUTOR	Sensors, Relays, Small Controllers, Controllers and I/O Systems, Drive Technology, Service Robotics Modules, Burner Management Systems
RITTAL	Energy-saving, Eco-friendly climate control solutions for enclosures and machines, busbar systems
SCHUNK Toolholding | Workholding Gripping Technology Automation Technology — Blue Level Partner	Gripping Solutions, Work Holding, Cobotic Accessories, Belt & Ball Screw Driven Linear Modules
SIEMENS	Factory Automation & Controls • PLCs, I/O, HMIs, Industrial PC's & SCADA, Servo Drives & Motors, VFDs, Power Supplies, Push Buttons, Circuit Breakers
WAGO	Tool-less Spring-Clamp Electrical Connections, Terminal Blocks, PCB Connectors, Cable Splicing Devices, Fuse Units, and Automation Interfaces
WERMA®	Signal Devices, Signal Towers, Stack Lights, Horns, Web-based Machine Monitoring & Dashboard Builder

CKD	Pneumatic Cylinders, Chucks, Collaborative Robot Grippers, ABSODEX™ Direct Drive Motors	COVAL	Smart Vacuum Handling Solutions, Vacuum Gripping Systems, Vacuum Generators, Foam Grippers, Vacuum Monitoring & IO-Link Solutions, Robotic End-of-Arm Tooling
ELITE ROBOTS	Collaborative Robots, Welding Cobots, Turnkey Palletizing Work Cell Solutions, Machine Tending, Material Handling, Dispensing Solutions	FANUC	COBOT to Go! Complete CRX Cobot Systems Ready to Ship!
Honeywell Intermec	Barcode Scanners and Printers	LinMot®	Linear Motors, ATEX Motors, Stainless Steel Motors, Linear Motors with integrated Drive, Linear Rotary Motors, PR02 Linear Rotary Motors, Servo Drives, Linear Guides
Nidec	Inline & Right Angle Planetary / Servo / Worm / Cycloidal Gearboxes, Strain Wave Gears, Rotary Index Tables, Traction Drives	Tolomatic EXCELLENCE IN MOTION	Electric Linear Actuators, Pneumatic Actuators, ServoWeld® Actuators, Power Transmission
TSLOTS. BY BONNELL ALUMINUM	Aluminum T-slotted extrusion and accessories, Design & Kitting Services offered by elliTek	WEINTEK	Advanced, Standard, & Basic series HMI's, Class 1 Div 2 HMI's, Web Panels, Screenless HMI's, Remote I/O

elliTek, INC.
Automation Experts

CAPABILITIES

The right automation technology, explained clearly.

elliTek helps OEMs, machine builders, system integrators, and plant teams choose and apply industrial automation products.

- Multi-line products
- Application support
- Vendor resources
- Hands-on training

WHAT ELLITEK CAN HELP WITH

Factory Automation & Controls

PLCs, HMIs, I/O, industrial PCs, SCADA, power supplies, motor control, and panel hardware.

Drives, Motion & Actuation

VFDs, servo systems, motors, gearboxes, electric actuators, pneumatics, and linear motion.

Robotics & Material Handling

Industrial and collaborative robots, grippers, vacuum, tooling, machine tending, and palletizing.

Machine Safety & Inspection

Safety PLCs, relays, interlocks, scanners, guarding, 2D/3D vision, sensing, and traceability.

Networks & Machine Infrastructure

Industrial Ethernet, remote I/O, enclosures, climate control, terminal blocks, signaling, and framing.

Plant Data, IIoT & Modernization

Machine data, OT/IT links, the IIoTA™ MES Gateway Appliance, dashboards, software, licensing, and upgrade paths.

PRE-SALE SUPPORT FOR THE FULL APPLICATION

Application & product support

- Proof of Concept - KNOW BEFORE YOU BUY!
- Product choice and compatibility checks
- BOM, drawing, part number, and license review.
- Demos, samples, sourcing, and manufacturer support

Training & local follow-through

- Siemens SITRAIN at our Knoxville training center
- On-site Workshops, Lunch & Learns, robotics, and IIoT training
- Field Sales and Applications Engineering across the region

Start with what you have.

Send a part number, BOM, drawing, project goal, or machine problem. We will help narrow the options and bring in the right technical resources.
