

ROBO Cylinder® & ELECYLINDER® series - simple positioning control, Cartesian Robots, SCARA Robots, Table Top Robots, Linear Servo Actuators, Cleanroom / Splash / Dust-proof Actuators

Line Profile Sensors, Snapshot Sensors, Line Confocal Sensors, 2D Smart Cameras & Accessories, Vision Accelerators, Factory Smart AI Products & Services, Cables & Accessory Items

Sensors, Relays, Small Controllers, Controllers and I/O Systems, Drive Technology, Service Robotics Modules, Burner Management Systems

Energy-saving, Eco-friendly climate control solutions for enclosures and machines, busbar systems

Gripping Solutions, Work Holding, Cobotic Accessories, Belt & Ball Screw Driven Linear Modules

Factory Automation & Controls • PLCs, I/O, HMIs, Industrial PC's & SCADA, Servo Drives & Motors, VFDs, Power Supplies, Push Buttons, Circuit Breakers

Tool-less Spring-Clamp Electrical Connections, Terminal Blocks, PCB Connectors, Cable Splicing Devices, Fuse Units, and Automation Interfaces

Signal Devices, Signal Towers, Stack Lights, Horns, Web-based Machine Monitoring & Dashboard Builder

Pneumatic Cylinders, Chucks, Collaborative Robot Grippers, ABSODEX™ Direct Drive Motors

COVAL

Smart Vacuum Handling Solutions, Vacuum Gripping Systems, Vacuum Generators, Foam Grippers, Vacuum Monitoring & IO-Link Solutions, Robotic End-of-Arm Tooling

Collaborative Robots, Welding Cobots, Turnkey Palletizing Work Cell Solutions, Machine Tending, Material Handling, Dispensing Solutions

COBOT to Go!
Complete CRX Cobot Systems Ready to Ship!

Barcode Scanners and Printers

Linear Motors, ATEX Motors, Stainless Steel Motors, Linear Motors with integrated Drive, Linear Rotary Motors, PR02 Linear Rotary Motors, Servo Drives, Linear Guides

Inline & Right Angle Planetary / Servo / Worm / Cycloidal Gearboxes, Strain Wave Gears, Rotary Index Tables, Traction Drives

Electric Linear Actuators, Pneumatic Actuators, ServoWeld® Actuators, Power Transmission

Aluminum T-slotted extrusion and accessories, Design & Kitting Services offered by elliTek

Advanced, Standard, & Basic series HMI's, Class 1 Div 2 HMI's, Web Panels, Screenless HMI's, Remote I/O

elliTek is a multi-line industrial automation supplier delivering factory automation, motion control, robotics, safety, industrial networking, and electrical control solutions — backed by deep technical expertise and local support.

elliTek serves manufacturers and industrial customers across Tennessee, Southern Kentucky, Western North Carolina, and Southwest Virginia. With four convenient locations, we provide local support to cities including Nashville, Chattanooga, Knoxville, Bristol, and beyond.

**Field-proven Products.
Manufacturer-backed.**

elliTek, Inc. Automation Experts

Automation | Safety | Support
